

Lisa Skinner

Author Lisa Skinner is a behavioral specialist in the field of Alzheimer’s disease and related dementias. In her 25-year career as a community counselor, private adviser and Regional Director of senior care facilities, she helped thousands of families and caregivers understand the daunting challenges of brain disease. Her #1 Best-seller book “Not All Who Wander Need Be Lost,” was written at their urging.

Her latest book, “Truth, Lies & Alzheimer’s – Its Secret Faces” continues Skinner’s quest of working with dementia-related illnesses and teaching families how they can have a better-quality relationship with their loved ones through education and offering workshops on counter-intuitive solutions and tools to help people effectively manage the symptoms of brain disease. Lisa Skinner has appeared on many national and regional media broadcasts including:
